DESTINATION

When travelling abroad it's always great to find new and exciting destinations to explore. Here are a selection of our must-see attractions to discover when you visit the vibrant city of Rome, Italy

- **Colosseum**
As the most iconic Roman structure on Earth, the vast arena welcomes around four million tourists each year. We recommend that visitors pre-book tickets to avoid the queues.
- **Vatican City**
How do you fancy visiting the world's smallest country? Yes, Vatican City is an independent city-state with its own Euros, stamps, flag and anthem! Key attractions include St. Peter's Square, the Vatican museums and the Sistine Chapel.
- **Trevi Fountain**
As one of Rome's most popular monuments, legend is that if you throw a coin into the fountain, you're sure to return to Rome one day. You're also contributing to a good cause as coins are collected each night and given to an Italian charity.
- **Pantheon**
You can't miss the chance to see one of the best preserved monuments of Ancient Rome. It boasts the largest unsupported dome in the world and while its exact age is unknown, its believed to have been standing for almost 2,000 years.
