DESTINATION

Here are our must-visit attractions when visiting the Chilean capital of Santiago.

- **Sky Costanera**
You'll be overcome by the Gran Torre at the Costanera Centre. This billion dollar 300m skyscraper boasts the title of the tallest building on the continent and provides stunning views across the region to the Andes.
- **Andes trek**
You don't have to admire the Andes from a viewing gallery, take one of many excursions to this beautiful, snow-topped mountain range and take in the awe-inspiring landscape. If you're a keen skier head to Valle Nevado for some sun kissed slopes.
- **Casablanca Valley**
Chile is famed for its robust flavourful wines, and if you enjoy a good tittle, a full day tour at the prestigious vineyard of Casablanca Valley is a must. Take a tasting tour at one vineyard and lunch at another as you ride horseback from sommelier to sommelier. Remember to drink and ride responsibly.
- **San Cristobal**
Not for the faint-hearted, the San Cristobal hill is an 830m hike and offers walkers a bar, café and zoo midway. For those wanting a more relaxed experience, take a gondola ride to the top for the stunning views across Santiago.
